Project No: 2024-1-MT01-KA220-YOU-000251732

What is DELARTE?

Art has the power to inspire. Entrepreneurship gives it the opportunity to grow.

DELARTE is an Erasmus+ European initiative designed to empower young artists and youth workers with the skills, knowledge, and resources needed to succeed in the creative sector. Recognising the challenges young creatives face in developing sustainable careers, DELARTE introduces an innovative educational approach that connects artistic expression with social entrepreneurship.

Through practical learning experiences, digital tools, and international collaboration, the project encourages young artists to explore new professional pathways, strengthen their entrepreneurial mindset, and use their creativity as a driving force for positive social change.
